

This is an exciting career opportunity for an experienced clinical supervisor and senior manager wanting to develop and share their strong leadership, client engagement and collaborative skills across the sexual assault and domestic/family violence sector. If you have a passion for working with those committed to the prevention and early intervention of sexual assault and domestic/family violence from both a clinical and strategically positioned advantage, then this role is for you.

Manager – Client Services

- Full Time.
- Appropriate tertiary qualification in social work, psychology or a related discipline.
- Demonstrated experience working at a Senior management level.
- Health Professionals and Support Services Award (HPSS).
- Highly competitive salary, remote area housing and salary packaging available.
