We respect the individuality of our employees, clients and visitors. Our organisation is Rainbow Tick accredited.

OUR VISION:

To be recognised as the national leader in the prevention of sexual assault and family violence and the provider of services of excellence to victims / survivors.

ORGANISATIONAL CONTEXT:

The Mallee Sexual Assault Unit Inc. Mallee Domestic Violence Service provides services to victims/survivors and significant others of sexual assault and domestic violence. The components of the service consist of crisis care, counselling services, advocacy, community education, outreach support, information and referral services, therapeutic treatment programs for children under 17 years with problem sexualised behaviours and Risk Assessment Management Panel (RAMP).

Mallee Sexual Assault Unit Inc. Mallee Domestic Violence Services acknowledges that family violence and other forms of violence against women are serious, preventable acts that have a significant impact on individuals, families, communities, our society and the economy. Violence against women is driven by four specific expressions of gender inequality:

- Condoning of violence against women and their children
- Men's control of decision making and limits to women's independence
- Stereotyped constructions of masculinity and femininity
- Disrespect towards women and male peer relations that emphasise aggression.

We recognise that while both men and women can commit violence, family violence is largely committed by men against women and children. Family violence is prevalent and occurs across the social spectrum. However, some groups of women and children experience multiple forms of discrimination and disadvantage due to the individual and structural power imbalances they face. This can compound their experience of violence and reduce their access to resources and support.

At Mallee Sexual Assault Unit Inc. Mallee Domestic Violence Services, we respond to all victim/survivors of family violence in all its forms and deliver services from a rights-based approach that prioritises their safety, agency and empowerment.

Mallee Sexual Assault Unit Inc. Mallee Domestic Violence Services has a thirty-year history of providing services to victim/survivors and significant others of sexual assault and domestic violence. The components of the service consist of crisis care and accommodation, counselling services, advocacy, community education, outreach support, information and referral services and therapeutic treatment programs for children under 17 years with problem sexual behaviours.

In addition, we also host a Multidisciplinary Centre (MDC) in Mildura which enables victims of sexual assault to receive a consistent, coordinated and comprehensive response to their needs. The MDC includes a specially trained police unit, the Sexual Offences & Child Abuse Investigation Team (SOCIT), counsellors/advocates with the Mallee Sexual Assault Unit, Child Protection team and a Community Health Nurse.

RAMP, Regional Integration Coordinators, Personal Safety and Security Initiative, Mental Health and Alcohol and Other Drugs Specialist Family Violence Advisor Capacity Building Program and Specialist Family Violence Advisor Child Protection are also delivered by Mallee Sexual Assault Unit Inc. Mallee Domestic Violence Services. Co-located at the service are also Financial Counsellors (Mallee Family Care) and the Family Violence Legal Unit (Murray Mallee Community Legal Service). We recognise that to achieve best practice responses to victim survivors, their children and perpetrators requires cross sector and cross-discipline collaboration and team work. Mallee Sexual Assault Unit Inc Mallee Domestic Violence Services strives to achieve service excellence and the Support and Safety Hub is part of a broad suite of changes which will contribute to this change.
